Welcome to Tulsa Views, this like new ground floor corner unit has two bedrooms and a large den. A private exterior entrance, fenced yard and partly covered patio give it the feel of a townhouse. A fantastic design showcases an open concept layout with 9' ceilings, and new electric fireplace. The kitchen boasts four stainless appliances, ample cabinetry and a walk-in pantry. In the primary bedroom, you'll find a walk-in closet and a four-piece ensuite. Completing the unit are the second bedroom, den, four piece bathroom and laundry room with lots of storage. The unit has been freshly painted, allows one pet with no size restriction and has two parking stalls (#41 and #42). This is a great location a short distance from shopping, restaurants and other amenities.
